SERVICES REQUESTED

REPAIR		CALIBRATION		*RUSH SERVICE	YES	NO
PLEASE PROVIDE A DETAILED DESCRIPTION OF THE PROMBLEM YOU ARE EXPERIENCING:						

PLEASE SEND EQUIPMENT COMPLETE

Once your unit is received in for repair, a technician will look over your unit and provide you with an estimate and turn around time BEFORE any repair is made. If the repair quote is declined by the customer, a \$145.00 administrative handling fee will be charged per item, plus rush fee \$330.00 (If rush services were requested). The standard lead time for repair is 5-10 business days, depending on parts availability. Rush fees are non cancelable and non refundable. Please send this completed form in the box with the unit to be repaired to:
